TRINITY PRESCHOOL  
& PARENTS' MORNING OUT  
Estd. 1947

At Trinity Preschool and Parents' Morning Out, we believe children learn and grow through play. As a play-based program, we are focused on the child's natural curiosity, creativity, and desire to learn. We offer a variety of activities such as exploring nature, music, movement, cooking, art, and age appropriate instruction so that each child can reach his or her potential.
